SIGNIFICANT DEVELOPMENTS DURING THE YEAR

Company is Profitable for the Third Consecutive Year

The Company is profitable for the third consecutive financial year. Increased business, increased recoveries and controlled expenses have resulted in the company to be profitable for the last three years. Its profit after tax amounted to Rs.100.33 Lakhs as of FY 2025-26 as against Rs.90.12 Lakhs in FY 2024-25 at a growth of 11.30%.

Debt Raise of Rs.27.95 Crores

The Company has raised debt of Rs.27.95 Crores in FY 2025-26 compared to Rs.24.00 Crores in FY 2024-25. Raising Debts have considerably aided the LAP Disbursals of the Company. This also indicates the lenders' confidence in our financials and repayment capacity.

Provision Coverage at 45%

The Company's provision coverage ratio stands at 45% after writing off 100% provided unsecured Educational Loans amounting to Rs.12.21 cr.

Secured Loans at 99%

The proportion of secured loans increased from 79% to 99% due to the increased LAP Portfolio. This notable improvement underscores our commitment to strengthening the quality and security of our loan portfolio. By increasing the proportion of secured loans, we have enhanced our ability to recover collateral in the event of default, mitigating potential credit losses.

Adequate Liquidity with Low Debt Equity Ratio

The company always maintained adequate liquidity during FY 2025-26. The Company has been maintaining liquidity to cover more than 3 months of expenses continuously. This is done with a low debt equity ratio of 0.53. The unencumbered cash and cash equivalents as on 31st March 2026 were Rs.7.76 Crores.

Write Off Recovery at 56%

The Company had written off Rs.25.24 Crores in FY 2021-22. Out of this, due to the efforts of our Collection Team, the company could recover Rs.0.91 Crores in FY 2025-26. The aggregate recovery from the written off cases till FY 2025-26 was Rs.14.04 Crores (56%).

Growth of LAP AUM at 39%

The LAP AUM of the Company has grown significantly from Rs.51 Crores in FY 2024-25 to Rs.71 Crores in FY 2025-26, registering a growth of 39.20%.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Economy

The Reserve Bank of India, in its Annual Report, stated that In 2025, the global economy displayed resilience with 3.4 per cent growth (3.3 per cent a year ago) amidst high tariffs, elevated policy uncertainty, rising public debt and geopolitical tensions. These headwinds were largely offset by frontloading of imports, supply-chain realignments, and a surge in artificial intelligence (AI)-related investment. Global financial conditions remained broadly accommodative, barring April and May 2025 reflecting tariff tensions. The outlook for the global economy in 2026 points to a moderate expansion at 3.1 per cent, below its long-term average (2000- 19) of 3.7 per cent. The world trade (goods and services combined) volume growth, projected at 2.8 per cent in 2026, remains highly sensitive to shifts in the geopolitical landscape and energy prices-driven inflation risks. The evolving growth inflation dynamics, particularly the resurgence of supply shock-driven inflation risks in the aftermath of the West Asia conflict, may require central banks to carefully balance the objective of containing inflation against the need to minimise adverse spillovers on growth, warranting cautious calibration of monetary policy paths.

Indian Economy

According to the Reserve Bank of India, India remained the fastest growing major economy, expanding at 7.6 per cent during 2025-26 (7.1 per cent a year ago), supported by strong domestic consumption, sustained investment, proactive policy initiatives and sound macroeconomic fundamentals. Inflation remained distinctly low during major part of the year. The financial sector remained resilient on the back of healthy bank and non-bank balance sheets, improved asset quality and capital buffers, enabling double-digit credit growth

NBFC Sector Outlook

Sector Overview and Growth Outlook

According to ICRA rating, NBFC-Retail Segment performance is projected as under:

- The NBFC-Retail segment is projected to cross Rs. 30 lakh crore in assets under management (AUM) by FY 2027, with annual growth of 16-18% expected in FY 2027. Growth remains robust but moderating from FY 2026 to FY 2027.
- Growth is driven by retail segments such as gold loans, vehicle financing, and personal/consumption loans, supported by favourable macroeconomic trends and demand stimuli like GST rate cuts.

- The NBFC-Retail sector growth through FY2027 is supported by strong demand in key segments, improved funding conditions, and adequate capitalisation.
- Incremental funding needs are estimated at Rs. 4.1-4.3 trillion in FY2027, with credit flows from banks remaining modest but improving, leading NBFCs to rely on market issuances and securitization. Borrowing costs are expected to decline slightly.
- However, asset quality and credit costs remain areas to watch, requiring prudent risk management and capital planning.
- Funding requirements step up, while a lower CoF and stable margins support earnings. Asset-quality pressures moderate into FY2027, allowing profitability to improve to 2.3–2.5%, provided entities maintain disciplined underwriting, provisioning, and diversified funding.

MSME Sector Lending Opportunity

The Micro, Small, and Medium Enterprises (MSME) sector remains a cornerstone of India's economic growth, playing a vital role in fostering innovation, employment generation, and exports

MSMEs play a crucial role in India's economy, accounting for 30% of its GDP and 46% of its exports. With an estimated 7.34 crore units, the sector offers more than 25 crore jobs.

A region-wise analysis indicates rural India accounts for a slightly larger proportion of these units at ~54%, mostly comprising of micro enterprises, while a gender-wise analysis shows almost 80% of all MSMEs are owned by men.

Given the width and depth of MSMEs, formalisation — the process of registering and legitimising these units, enabling them to access formal financial systems, markets and government support — becomes a critical step towards unlocking their growth potential. The government has been actively working on this agenda and has simplified the registration process. According to Udyam and Udyam Assist portals, there were ~7.83 crore registered MSMEs as of February 2026.

While an increased credit supply to MSMEs is in evidence, the study broadly estimates that the sector still has an addressable credit gap of 24% or ₹30 lakh crore. The gap is higher in the services sector at 27%; it is estimated to be also higher at 35% for women owned MSMEs

The Union Budget 2026-27 proposed a three-pronged approach to help Indian Micro, Small & Medium Enterprises (MSMEs) grow as Champions by providing equity, liquidity and professional support to MSMEs.

The Budget proposes complete removal of the current value cap of ₹10 lakh per consignment on courier exports to support aspirations of India's small businesses, artisans and start-ups.

An holistic picture of commercial credit flows, borrower behaviour, and portfolio quality is as under:

Outstanding commercial balances combined for individual and enterprise borrowing stood at ₹65.8 Lakh Crore as on Mar 2026, with individuals now comprising 28% of balance share. Commercial entities with aggregate exposure greater than ₹10L witnessed double-digit growth in 3-year period ending Mar 2026.

Entities with aggregate credit exposure ₹2-10L, which has the highest share of new-to-credit (NTC) entities, experienced slowest growth at 5% 3-year CAGR in outstanding balances during the same period.

NTC share in commercial entity originations has declined from 52% in FY2023 to 42% in FY2026.

While balance-level delinquencies have remained stable, certain pockets have witnessed emerging stress in early delinquencies - Accounts over 90+ DPD in 12 months since originations for unsecured BL have shown 2.9x higher delinquency for Mar 2025 originations when compared to overall. Similarly, enterprise borrowers with aggregate exposure ₹2-10L segment witnessed 2.1x times higher delinquencies.

Distinct borrower segments are being served by different lender types, with PSBs enabling entry-level access to entities under ₹10L exposure, NBFCs scaling ₹10L-2Cr segment, and private banks dominating >2Cr exposures.

Textiles, Professional services, Wholesale trade and infra-linked industries are dominated by ₹10L-2Cr exposure segment, while retail trade, tourism, food processing, agriculture and allied industries are dominated by ₹2-10L exposure segment.

Shiksha in the upcoming years is expected to play a pivotal role in the MSME lending space.

including Co-Lending (Own Share)

*Of the own book portfolio of Rs.76.28 cr, 99% is secured portfolio.

The Company focuses on disbursements only in LAP Segment, and in legacy books, only recoveries are made. The Company has a Co-Lending Arrangement with Singularity Credit World Private Limited for its LAP Disbursements. LAP Disbursements in Co-Lending Segment amounted to Rs.309 Lakhs including Rs.79 Lakhs of Shiksha's share.

The Company's Collections towards its Legacy Books and LAP amounted to Rs.1,111 Lakhs and Rs.2,624 Lakhs respectively.

The Company remains focused on asset quality growth and looks for opportunities to enable efficient utilization of resources to grow its ST-LAP portfolio. As of March 31, 2026, the Company operates in a total of 36 branches, spread over 5 states namely Tamil Nadu, Karnataka, Maharashtra, Andhra Pradesh and Telangana.

The Company continues to undertake a proper risk assessment of its credit exposures to curb deterioration in the macroeconomy and any uncertainty in credit evaluations including pre audit calls. The Company held provisions aggregating to Rs.154 Lakhs as per RBI prudential provisioning norms and an additional provision of Rs.143 Lakhs. This additional provision created forms part of risk mitigation for any future contingencies.

BC MFI - Managed book:

During FY 2021-2022, a Banking Correspondence (BC) arrangement was entered by the Company with Federal Bank to originate MFI loans and service their EMI collections. Under this BC arrangement, while sourcing and collections shall be our responsibility, Federal Bank shall take care of underwriting and disbursements. We are entitled to get a share in interest and processing charges as well. This arrangement has increased income generation, cash inflows and the liquidity position of the company.

The MFI sector has faced heightened delinquencies in recent times, and the Company's BC MFI portfolio was also impacted. The portfolio's non-performing assets (NPAs) stood at 16% as of March 2026. As per the agreement with Federal Bank, our liability is restricted to 5% of the quarterly disbursements reduced by the repayments. As at the end of March 26, Federal Bank has been paid Rs.3.56 cr as a part of delinquency liability. From October 25, the commercials with Federal bank has been revised with no FLDG component . The company also sourced funds from Ambit as well. Exercising prudence, the Company moderated disbursements under this segment, resulting in a 5% contraction of the BC MFI portfolio.

As of March 31, 2026, the Company is managing a MFI loan portfolio of Rs.58.19 Lakhs from across 26 branches present in states of Tamil Nadu, Karnataka and Maharashtra. The disbursements made during the Financial Year 2025-26 amounts to Rs.4,222 Lakhs and its disbursement since inception is Rs.20877 Lakhs.

Financial Performance

The Pandemic and its aftermath have considerably impacted the Company and its business, and the Company had to declare losses during FY 2021-22 and FY 2022-23. Your Company considerably improved its financial performance during the period from FY 2023-24 to FY 2025-26 and had taken the following strategic measures:

- a. Halting disbursement in its education portfolio and concentrating on collections
- b. Focused on collections in written off portfolio.
- c. Diversifying own book and increasing LAP Portfolio,
- d. Wrote off Rs.12.21 cr of 100% provided Educational Portfolio as part of cleansing of the Balance Sheet.

The company has maintained a Provision Coverage Ratio of 45% in FY 2025-26 and the Provisions in the books are higher than adequate quantum required for any eventualities, strategic focus on business expansion, coupled with reduced borrowing costs and improved collection efficiencies, has contributed to a commendable financial outcome. As a result, the Company achieved a Profit After Tax (PAT) of Rs.100.33 Lakhs as compared to Rs.90.12 Lakhs maintaining the trend of consecutive three years profit.

Capital Profile and Leverage Ratio

The Net worth of the Company increased from Rs.57.97 Crores as at the end of March 31, 2025, to Rs.58.97 Crores as at the end of March 31, 2026. The Company has maintained a capital adequacy ratio of 58.34% in March 2026 as against 67.16% in March 2025. As the debt equity ratio of the company is 0.53, the company has head room to raise more debts. No capital infusion was made in Financial Year 2025-26.

Debt Profile

The Company raised debt of Rs.2,795 Lakhs for onward lending of LAP loans in FY 2025-26 as against Rs.2,400 Lakhs in FY 2024-25. The Company received few commitments from prospective lenders for LAP product. Lenders are attracted mainly due to turn around of the Company to operating profits, Confidence reposed by Investors, , Increased secured loan portfolio, high proportion of MSME segment in LAP, and the presence of an experienced team of professionals.

The Company continues to make prompt repayment of its obligations. As on 31st March 2026 the company had an outstanding debt of Rs.3,153 Lakhs as against Rs.2123Lakhs as on 31st March 2025. The company also repaid NCDs of Rs.400 Lakhs in FY 2025-26.

The Company could partner with three new lenders viz Kiyansh finance, Vivriti Capital Limited & Maanaveeya Development and Finance in FY 2025-26. The leverage ratio of the Company stood low at 0.53% in March 26

As part of reducing the funding cost, the Company could get funds aggregating to Rs.16.45 cr under the PTC route. The Company was assigned A-(SO) rating by ICRA for the pool indicating adequate safety.

Asset Liability Management

The Company ensures adherence to the risk tolerance/limits and liquidity buffer. The Management oversees the Company's short, medium and long-term funding and liquidity management requirements. It also reviews the liquidity position based on future cash flows. The unencumbered cash and cash equivalents of the company stood at Rs.7.76 Crores as the end of 31st March 2026.

With challenges arising from ALM mismatches plaguing the wider NBFC in the last 12 months, The Company has been proactive in maintaining adequate liquidity, through increased LAP business and collections. The Company maintained liquidity of more than 3 months of expenses.

Information Technology – Systems and Automation

The Company took several measures to promote and encourage digital collections. Around 60% of the collections are through NACH. The Company has also upgraded its current systems from Licensed Version to Software as a Service (SaaS). This shall facilitate ease of LAP business, reducing TAT and increased customer retention. Digitalization shall also help in mitigating human errors and manual interventions.

Your Company has fully complied with all the periodic guidelines issued by the RBI and other regulators and adhered strictly to Capital Adequacy, Fair Practice Codes, RBI Reporting, Asset Classification and Provisioning Norms, etc. to ensure zero-tolerance on the non-compliance aspect. Stringent review systems to ensure compliance with the statutory guidelines and norms of the NBFC industry are also in place. Apart from RBI, the Company strictly complies with the other applicable regulations.

Internal Control Systems

The Company has put in place adequate internal control mechanisms to safeguard all its assets and to ensure operational excellence. The mechanism also meticulously records all transaction details and ensures regulatory compliance. Further, lender/investor covenants have been tracked and are periodically updated from time to time. At periodic intervals, the management team and statutory auditors check and ensure that the controls are adequate and operative. Besides Statutory Auditors, the Company has also engaged a professional audit firm for internal audit of various systems & control in place and to recommend suggestive actions wherever required.

Besides, the Company has a dedicated team of internal auditors to conduct internal audit. This team defines the audit agenda for the year, which is implemented. They also ensure that all transactions are correctly authorized and reported in accordance with the relevant regulatory framework. The Company has also been subject to due diligence by lenders.

Human Resources

The Company's major strength is its human resources. The Company recognizes that employees are the pillars for Company's growth. Their collaborative skill and expertise has been part of the growth story. There exists a structured framework which nurtures the functional and leadership capabilities of all employees across verticals. Reward & Recognition programs take place in the company periodically. The Company also has a policy to recognize and celebrate talents for extraordinary performance at work with a cash reward.

The Company invests in Internal training and development of its employees on a continuous basis. As on 31st March 2026, the Company had 299 employees as against 311 employees as at the end of 31st March 2025.

2. State of affairs of the Company

2.1 Business and Financial Performance Overview

The affordable private school segment has witnessed a slower recovery post-pandemic compared to other sectors. The education landscape underwent a significant transformation during COVID-19, leading to a considerable migration of students from private to government schools, spurred by various government schemes and benefits. The reverse migration remains minimal. In addition, the financial stress on education loan borrowers has intensified, with many unable to repay their existing loans due to the economic aftereffects of the pandemic.

In response to these challenges, the Company prioritized strengthening its collections strategy to maximize cash flows and improve liquidity.

Key initiatives included:

- Proactive and sustained follow-up with customers to enhance regular demand collections.

- Encouragement of negotiated settlements and voluntary pre-closures for delinquent accounts.
- Implementation of performance-based incentives to staff to boost overdue collections.

Despite these challenges, the Company maintained a robust liquidity position throughout the year. The Asset Liability Management (ALM) profile remained comfortable with no negative cumulative mismatches.

Financial Overview

- Total disbursements for FY 2025-26 stood at ₹3,487 lakhs, as against ₹3,471 lakhs in the previous year.
- Assets under management (AUM) was at ₹7,628 lakhs as of March 31, 2026, against ₹7,721 lakhs a year earlier.
- Gross income rose to ₹2,626.51 lakhs (FY 2025-26) from ₹2,424.01 lakhs in the prior year.
- Profit after tax (PAT) increased to ₹100.33 lakhs, compared to ₹90.12 lakhs in FY 2024-25.

Strategic Diversification Initiatives

As part of its strategic diversification beyond the education segment, the Company commenced the disbursement of small-ticket Loan Against Property (LAP) products, including business loans and small mortgage loans. These secured loans, backed by residential property collateral, are tailored to support micro-entrepreneurs and self-employed individuals for various needs such as business expansion, home improvement, or major life events including marriage, healthcare, and education.

MFI Portfolio Performance

The MFI sector has faced heightened delinquencies in recent times, and the Company's BC MFI portfolio was also impacted. The portfolio's non-performing assets (NPAs) stood at 16% as of March 2026 -. Exercising prudence, the Company moderated disbursements under this segment, resulting in a 5% contraction of the BC MFI portfolio.

2.2 Corporate Developments

During the year, the Company has raised debt as follows:

<i>(Figures in Lakhs)</i>		
Sources of Debt	2025-26	2024-25
From other than Bank	2,795.00	2400.00
Total	2,795.00	2400.00

2.3 Asset Quality

Risk assessment of customers is made at the time of initial appraisal for pricing and granting loans. Besides continuous monitoring, the Company also makes a portfolio risk analysis at frequent intervals including geographical analysis. A conservative underwriting approach is followed to maintain asset quality.

2.4 Transfer to Reserves

As per Section 45-IC of the Reserve Bank of India Act, 1934, every non- banking financial Company shall create a reserve fund and transfer therein a sum not less than twenty per cent of its net profit every year as disclosed in the Statement of Profit and Loss and before any dividend is declared.

Accordingly, your Company has transferred Rs.37.45 Lakhs to Statutory reserve during the current financial year.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHIKSHA FINANCIAL SERVICES INDIA PRIVATE LIMITED

Report on the Financial Statements

1. Opinion

We have audited the financial statements of SHIKSHA FINANCIAL SERVICES INDIA PRIVATE LIMITED ("the company"), which comprise the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss, the Statement of Cash Flows for the year then ended, notes to financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and Profit and the Cash Flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements

3. Information Other than Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, including Annexure to Board's Report, but doesn't include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements or our knowledge obtained in the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. In this regard, as there is no misstatement based on our examination of the books. We have nothing to report in this regard.

4. Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

5. Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure – A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow statement dealt with by this Report are in agreement with the books of accounts.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors have been disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to the Financial Statements of the Company and the operating effectiveness of such controls, we request you to refer to our separate Report in 'Annexure B' to this report.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note 37 to the Standalone Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, as on the date of this Audit Report, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (i) and (ii) of Rule 11(e) of the Companies (Audit and Auditors) Rules, 2014 contain any material misstatement.

v. The Company has not declared or paid dividend during the year.

vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the period for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in Para 6(II)(f) of our Report of Even Date]

We have audited the Internal Financial Controls over financial reporting of Shiksha Financial Services India Private Limited ("the Company") as of 31st March, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directions of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over the financial reporting to future periods are subject to the risk that the internal financial control over the financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material aspects, an adequate internal financial controls system over the financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over the financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over the Financial Reporting issued by the Institute of Chartered Accountants of India.

Shiksha Financial Services India Private Limited

Notes to Standalone financial statements for the year ended Mar 31, 2026

(All amounts are in Indian Rupees in Lakhs except share data and otherwise stated)

1 Company overview

Shiksha Financial Services India Private Limited (The Company) is an Non Banking Finance Company (NBFC) registered with Reserve Bank of India (RBI).

The Company follows RBI guidelines applicable to NBFCs. The Company is a Private Limited company with registered office in Chennai, Tamil Nadu. The Company is engaged in the business of providing education finance and loan against property.

- 2** The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.1. Basis of preparation

The financial statements of the Company have been prepared and presented in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Reserve Bank of India / Institute of Chartered Accountants of India and the provisions of the Companies Act, 2013, to the extent applicable. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. The Assets and Liabilities have been classified as Non Current and Current based on 12 month operating cycle.

The Company follows the Prudential norms for income recognition, asset classification and provisioning as prescribed by the Reserve Bank of India (RBI) for Non-Banking Financial Company, Base Layer [NBFC-BL] (earlier, Non-Banking Financial Company Non-Systemically Important Non-Deposit taking Company [NBFC-Non-SI-ND]).

2.2. Use of estimates

The preparation of the financial statements is in conformity with generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements. Management believes that the estimates

Shiksha Financial Services India Private Limited

Notes to Standalone financial statements for the year ended March 31, 2026 (cont.)

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

made in the preparation of financial statements are prudent and reasonable. Actual results could differ from estimates. Revisions to accounting estimates are recognized prospectively in current and future periods.

2.3. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances

(with an original maturity of three months or less from the date of acquisition).

2.4. Revenue recognition

- a) Interest income is recognized on a time proportion basis based on the interest rates implicit in the contracts. Income on Non-Performing assets is recognised only when realise
- b) Fees and commission income are recognised on an accrual basis.
- c) Recovery from bad debts written off, Loan Processing Fees, Legal & Technical Fees, Cheque dishonour charges etc., are recognised on receipt basis.
- d) Income from fixed deposits are recognised on accrual basis.
- e) Income from Mutual funds are recognised when it is realised. Profit or loss on sale of mutual fund units are accounted on First in First out basis.

2.5. Receivables under Financing Activity, Provisioning and De-recognition

All loan exposures to borrowers with installment structure are stated at the full agreement value after netting off unearned income and Installments appropriated up to the Balance Sheet date

The Company provides for standard assets at 0.40%. This is higher than the minimum provisioning norm of 0.25%, as specified by Reserve Bank of India (RBI) for Non-Banking Financial Company - Base Layer (NBFC-BL).

Shiksha Financial Services India Private Limited

Notes to Standalone financial statements for the year ended March 31, 2026 (cont.)

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

Provision for Non-Performing Assets are based on management estimates, which is higher than the minimum provisioning requirements specified by the Reserve Bank of India (RBI) for Non-Banking Financial Company in the Base Layer (NBFC-BL)

The Company creates an overarching Contingency Provision as a matter of prudence and abundant caution.

Any interest accrued on Non-Performing Assets until the said asset became a Non performing Asset and remaining overdue is de-recognised by reversing the interest income

2.6. Property Plant and Equipment and depreciation

Tangible assets

Fixed assets are carried at cost less accumulated depreciation and impairment, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use including the subsequent expenditure after their purchase/completion if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Intangible assets

Intangible assets are recorded at the consideration paid for acquisition.

Depreciation

Depreciation on tangible assets are provided on straight line method. Depreciation is provided based on the useful life as prescribed in Part C of Schedule II to the Companies Act, 2013 or Company's estimate whichever is lower. The useful life estimated is as follows:

Category	Useful life (years), as per Companies Act, 2013	Useful Life (years) as per Company
Computers	3	3
Office Equipment	5	3
Furniture, Fixtures, Electrical Equipment	10	5
Vehicles	8	3
Software	5	5

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

Improvements to leasehold premises are depreciated over the primary lease period or 5 years, whichever is lower.

Intangible assets are amortized over their estimated useful life (presently, 5 years), on a straight line basis.

2.7. Foreign currency transactions and translations

Transactions in foreign currencies, if any, entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

2.8. Investments

Investments are classified as Current and Non Current based on their nature and intended holding period.

Non Current Investments are valued at cost, Current Investments are valued at lower of cost or net realisable value

2.9. Retirement and other employee benefits

Defined contribution plans

Provident Fund: The Company makes contributions to the Employees' Provident Fund Scheme maintained by the Government of India and Company's contributions to the fund are recognised as an expense in the Profit and Loss account in the period when services are rendered by the employees.

Employee State Insurance: The Company contributes to Employees State Insurance Scheme and recognises such contribution as an expense in the Profit and Loss account in the period when services are rendered by the employees.

Defined benefit plans

Gratuity: The Company's liability under The Payment of Gratuity Act is recognised based on an actuarial valuation and the same has been expensed in the Profit and Loss account.

Shiksha Financial Services India Private Limited

Notes to Standalone financial statements for the year ended March 31, 2026 (cont.)

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

Compensated absences: The liability towards accumulated leave balances, in accordance with the Company's policy are actuarially valued and the same has been recognised as an expense in the Profit and Loss account.

Short term employment benefits:

All short term employee benefit plans such as salaries, wages, incentives, special awards and medical benefits which fall due within 12 months of the financial year are recognized on an undiscounted basis and charged to the statement of profit and loss.

2.10. Finance costs

Interest on borrowings is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable on the borrowings. Ancillary costs incurred in connection with the arrangement of borrowings are expensed in the year of occurrence.

2.11. Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. Currently the company is operating in only one reportable business segment i.e., financing and hence reporting segment wise is not warranted for.

2.12. Leases

Leases where the Lessor effectively retains substantially all the risks and benefits of ownership over the lease term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on accrual basis.

2.13. Basic earnings per share

Basic earnings per share is computed by dividing net profit or loss for the period attributable to equity shareholders by the weighted average number of shares outstanding during the year. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Shiksha Financial Services India Private Limited**Notes to Standalone financial statements for the year ended March 31, 2026 (cont.)**

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

2.14. Taxation

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax is recognized on timing differences, being the difference between taxable and accounting income that originate in one period and is capable of reversal in one or more subsequent periods.

2.15. Impairment

The Company assesses at each balance sheet date whether there is an indication that an asset may be impaired. If any such condition exists, the Company estimates the recoverable amount (defined as higher of cash generating unit's net selling price and its value in use) of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciated historical cost.

2.16. Provisions, Contingent Liabilities and Contingent Assets

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To

TO THE MEMBERS OF **SHIKSHA FINANCIAL SERVICES INDIA PRIVATE LIMITED**

Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the Consolidated Financial Statements of **SHIKSHA FINANCIAL SERVICES INDIA PRIVATE LIMITED** (hereinafter referred to as the "Holding Company"), and its subsidiary (collectively referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2026, and the Consolidated Statement of Profit and Loss, Consolidated Statement of Cash flows, Notes to Consolidated Financial Statements including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, and consolidated profit, and its cash flows for the year ended on that date

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, including Annexure to Board's Report, but doesn't include the Consolidated Financial Statements and our Auditor's report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. In this regard, as there is no misstatement based on our examination of the books. We have nothing to report in this regard.

4. Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the group are responsible for assessing the ability of the group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group

5. Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern
5. Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Report on Other Legal and Regulatory Requirements

1. With respect to the matter specified in Clause (xxi) of paragraph 3 of the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Independent Auditor's Report, we report that there are no qualifications or adverse remarks in the group company.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the Consolidated Financial Statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Cash flows, dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements
 - (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group Companies incorporated in India is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A"
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Consolidated Financial Statements disclose the impact of pending litigation on the Consolidated Financial position of the Group – Refer Note no. 36 to the Financial Statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, as on the date of this Audit Report, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (iv) (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Group.

- vi. Based on our examination which included test checks, the group has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the period for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and has been preserved by the group as per the statutory requirements for record retention.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in Para 6(II)(f) of our Report of Even Date]

We have audited the Internal Financial Controls over financial reporting of **SHIKSHA FINANCIAL SERVICES INDIA PRIVATE LIMITED** ("the Holding Company") and its subsidiary as of March 31, 2026 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiary Company which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directions of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over the financial reporting to future periods are subject to the risk that the internal financial control over the financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its Subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Consolidated financial statements for the year ended Mar 31, 2026

(All amounts are in Indian Rupees in Lakhs except share data and otherwise stated)

1 Company overview

Shiksha Financial Services India Private Limited (The Company) is an Non Banking Finance Company (NBFC) registered with Reserve Bank of India (RBI). The Company follows RBI guidelines applicable to NBFCs. The Company is a Private Limited company with registered office in Chennai, Tamil Nadu. The Company was primarily engaged in the business of providing education finance, now diversified to loan against property and business correspondence

2 The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.1. Basis of preparation

The financial statements of the Company have been prepared and presented in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Reserve Bank of India / Institute of Chartered Accountants of India and the provisions of the Companies Act, 2013, to the extent applicable. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. The Assets and Liabilities have been classified as Non Current and Current based on 12 month operating cycle.

The Company follows the Prudential norms for income recognition, asset classification and provisioning as prescribed by the Reserve Bank of India (RBI) for Non-Banking Financial Company, Base Layer [NBFC-BL] (earlier, Non-Banking Financial Company Non-Systemically Important Non-Deposit taking Company [NBFC-Non-SI-ND]).

(cont.)**

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

2.2. Use of estimates

The preparation of the financial statements is in conformity with generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements. Management believes that the estimates made in the preparation of financial statements are prudent and reasonable. Actual results could differ from estimates. Revisions to accounting estimates are recognized prospectively in current and future periods.

2.3. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition).

2.4. Revenue recognition

- a) Interest income is recognized on a time proportion basis based on the interest rates implicit in the contracts. Income on Non-Performing assets is recognised only when realised
- b) Fees and commission income are recognised on an accrual basis.
- c) Recovery from bad debts written off, Loan Processing Fees, Legal & Technical Fees, Cheque dishonour charges etc., are recognised on receipt basis.
- d) Income from fixed deposits are recognised on accrual basis.

Shiksha Financial Services India Private Limited**Notes to Consolidated financial statements for the year ended Mar 31, 2026
(cont.)**

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

e) Income from Mutual funds are recognised when it is realised. Profit or loss on sale of mutual fund units are accounted on First in First out basis.

2.5. Receivables under Financing Activity, Provisioning and De-recognition

All loan exposures to borrowers with installment structure are stated at the full agreement value after netting off unearned income and Installments appropriated up to the Balance Sheet date

The Company provides for standard assets at 0.40%. This is higher than the minimum provisioning norm of 0.25%, as specified by Reserve Bank of India (RBI) for Non-Banking Financial Company - Base Layer (NBFC-BL).

Provision for Non-Performing Assets are based on management estimates, which is higher than the minimum provisioning requirements specified by the Reserve Bank of India (RBI) for Non-Banking Financial Company in the Base Layer (NBFC-BL)

The Company creates an overarching Contingency Provision as a matter of prudence and abundant caution.

Any interest accrued on Non-Performing Assets until the said asset became a Non performing Asset and remaining overdue is de-recognised by reversing the interest income

2.6. Property Plant and Equipment and depreciation**Tangible assets**

Fixed assets are carried at cost less accumulated depreciation and impairment, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use including the subsequent expenditure after their purchase/completion if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Intangible assets

Intangible assets are recorded at the consideration paid for acquisition.

Shiksha Financial Services India Private Limited**Notes to Consolidated financial statements for the year ended Mar 31, 2026
(cont.)**

(All amounts are in Indian Rupees in Lakh except share data and otherwise stated)

Depreciation

Depreciation on tangible assets are provided on straight line method. Depreciation is provided based on the useful life as prescribed in Part C of Schedule II to the Companies Act, 2013 or Company's estimate whichever is lower. The useful life estimated is as follows:

Category	Useful Life (years) as per Companies Act, 2013	Useful life (years), as per Company
Computers	3	3
Office Equipment	5	3
Furniture, Fixtures, Electrical Equipment	10	5
Vehicles	8	3
Software	5	5

Improvements to leasehold premises are depreciated over the primary lease period or 5 years, whichever is lower.

Intangible assets are amortized over their estimated useful life (presently, 5 years), on a straight line basis.

2.7. Foreign currency transactions and translations

Transactions in foreign currencies, if any, entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

(All amounts are in Indian Rupees in Lakhs except share data and otherwise stated)

2.8. Investments

Investments are classified as Current and Non Current based on their nature and intended holding period.

Non Current Investments are valued at cost, Current Investments are valued at lower of cost or net realisable value

2.9. Retirement and other employee benefits

Defined contribution plans

Provident Fund: The Company makes contributions to the Employees' Provident Fund Scheme maintained by the Government of India and Company's contributions to the fund are recognised as an expense in the Profit and Loss account in the period when services are rendered by the employees.

Employee State Insurance: The Company contributes to Employees State Insurance Scheme and recognises such contribution as an expense in the Profit and Loss account in the period when services are rendered by the employees.

Defined benefit plans

Gratuity: The Company's liability under The Payment of Gratuity Act is recognised based on an actuarial valuation and the same has been expensed in the Profit and Loss account.

Compensated absences: The liability towards accumulated leave balances, in accordance with the Company's policy are actuarially valued and the same has been recognised as an expense in the Profit and Loss account.

Short term employment benefits:

All short term employee benefit plans such as salaries, wages, incentives, special awards and medical benefits which fall due within 12 months of the financial year are recognized on an undiscounted basis and charged to the statement of profit and loss.

(All amounts are in Indian Rupees in Lakhs except share data and otherwise stated)

2.10. Finance costs

Interest on borrowings is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable on the borrowings. Ancillary costs incurred in connection with the arrangement of borrowings are expensed in the year of occurrence.

2.11. Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. Currently the company is operating in only one reportable business segment i.e., financing and hence reporting segment wise is not warranted for.

2.12. Leases

Leases where the Lessor effectively retains substantially all the risks and benefits of ownership over the lease term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on accrual basis.

2.13. Basic earnings per share

Basic earnings per share is computed by dividing net profit or loss for the period attributable to equity shareholders by the weighted average number of shares outstanding during the year. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Shiksha Financial Services India Private Limited**Notes to Consolidated financial statements for the year ended Mar 31, 2026
(cont.)**

(All amounts are in Indian Rupees in Lakhs except share data and otherwise stated)

2.14. Taxation

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Deferred tax is recognized on timing differences, being the difference between taxable and accounting income that originate in one period and is capable of reversal in one or more subsequent periods.

2.15. Impairment

The Company assesses at each balance sheet date whether there is an indication that an asset may be impaired. If any such condition exists, the Company estimates the recoverable amount (defined as higher of cash generating unit's net selling price and its value in use) of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciated historical cost.

2.16. Provisions, Contingent Liabilities and Contingent Assets

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed in the financial statements.
